

# WARHAMMER: NAGASH - THE RULES

## Official Update Version 1.0

Although we strive to ensure that our books are perfect, sometimes mistakes do creep in. When such issues arise we feel that it is important to deal with them as promptly as we can, and we therefore produce regular updates for all of our books. When changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, E.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

This update is split into three sections: Errata, Amendments and 'Frequently Asked Questions'. The Errata corrects any mistakes in the book, while the Amendments bring the book up to date with the latest version of the rules. The Frequently Asked Questions (or 'FAQ') section answers commonly asked questions about the rules. Although you can mark corrections in your book, this is by no means necessary – just keep a copy of the update with your book.

### ERRATA

**Page 83** – The Battle for Ruined Lahmia, Ancient Rubble

Change the first sentence to read: 'Units cannot march through areas of rubble.'

### AMENDMENTS

None.

### FAQS

None.
